WORK EXPERIENCE

Python Internship at YBI Foundation(Virtual)

Aug 2024 - Sep 2024

EPIC CLUB , SIT PUNE — MEMBER

March 2024 - PRESENT

Mental Health Champion , SUHRC PUNE

Aug 2023 - July 2024

ROTONITY CLUB , SIT PUNE — MEMBER,Design Team

May 2023 - Oct 2023

Symbitech (Technical Fest) , SIT PUNE

Aug 2023 - Sep 2023

- Project Head (Design Team)
- Volunteer – Best Out Of Waste (Tech)

EDUCATION

Symbiosis Institute of Technology

Aug 2022 - 2026

- Bachelor Of Technology : Computer Science.
- Specialization : AIML
- Aggregate : 7.2

ST. Theresa's Convent School

2020 - 2021

- Class XII : Aggregate : 92%

PROJECTS

- ### PEHCHAAN (In Process) | {Python, HTML, CSS}

  "Creating a recruitment platform to connect job seekers with recruiters at tech conferences, streamlining the hiring process."

- ### Data Visualization | {Python, Machine Learning}

  "Developed a data visualization model for Titanic Database using Python, and ML using exploratory data analysis(EDA) ."

- ### Universal Remote Model | {IoT, Hardware}

   "Engineered a multi-device universal remote system, reducing user device clutter via IoT-based control integration."

SKILLS

- Agile Development Methodologies
- Project Management
- Analytical Thinking
- Effective Communication
- Teamwork
- Collaboration
- **Business Requirement Gathering**
- Problem Solving

TECHNICAL SKILLS

- Python
- Data Visualization
- Gen AI
- Machine Learning Algorithms and Modelling
- SQL Database
- MongoDB
- HTML & CSS
- **API Integration** (REST, GraphQL)
- **Version Control** (Git, GitHub)

SOFTWARES

- Postman
- Excel (Learning)
- Jira
- Figma
- FlutterFlow

Certifications

- AIML
- Web Development
- Project Management
